PUBLIC (POLITICAL) DEPARTMENT

G.O.Ms.No. 965 Dated 24.4.1948

Read the following:-

Letter from the Government of India, Ministry of States, No. F.4(2)-G/48, dated 10.2.1948

ORDER:

Under section 287 of the Government of India Act, 1935 an arrangement was made between the late Crown Representative and the Governor of Madras under which the latter discharged certain functions of the Crown in respect of the payment of customary allowances to members of the family or servants of any former Ruler of any territories in India, which were till then performed by the Government of Madras.

2. From 15-8-1947 the position has changed. As the Crown Representative has ceased to exist with effect from 15-8-1947 and section 287 of the Government of India Act, 1935, under which the above arrangement was made has been omitted by the India (Provisional Constitution) Order 1947, the arrangement as such has also terminated with effect from the same date.

3. With effect from 15-8-1947 the payment of the political pensions formerly included in the Crown Representative's budget has become a function of the Government of India. Accordingly, as from that date sub-section (1) of section 124 of the Government of India Act, 1935, as adapted provides the only basis on which Provincial Government can continue to perform functions in relation to these payments on behalf of the Central Government. The Government of India have accordingly entrusted to this Government under section 124 (1) of the Government of India Act, 1935, as adapted, the exercise of such powers and performance of such functions in relation to political pensions as were being exercised or performed by the Governor of Madras on behalf of the Crown Representative before 15-8-1947.

4. The Madras Government agree to carry on these functions as agent to the Government of India for which they will continue to get the annual contribution as at present.
